

PARKING Information for USAU 2011 College Championships

The Pleasant View parking lot will have limited paid parking (\$2 per entry). We encourage non-palyers to use the following alternatives:

- (a) Bike or walk, if possible
- (b) Friday, Saturday, Monday (NOT Sunday) free parking at Calvary Bible Church (3245 Kalmia Ave) just west of the fields. The fence gates on the west side of Pleasant View fields will be open for entry into the complex. To get to this parking, turn east on Kalmia off of 28th street, the church is on the north side of Kalmia just before you get to the fields.
- (c) SUNDAY – there will be additional parking in the field between the Cemetery and the Jewish Center, off of Kalmia on the north side of Pleasant View fields. To get there, turn east on Kalmia off of 28th street and follow it almost to the end of the road. As it is Memorial Day weekend, it is critical that we are very respectful of the fact that we are next to a Cemetery, so be quiet near the cars, don't drive through the cemetery and no hanging out in the parking area.
- (d) All days, you can park in the neighborhood west of the fields as long as you obey all signs and are respectful of neighbors (enter off 28th onto Palo Parkway or Kalmia).
