WELCOME

On behalf of the city of Ames, Iowa Convention Bureau and the Iowa State Ultimate Clubs. I am incredibly excited to be representing these groups as your co-tournament director. Not that long ago I was playing at this tournament, and I know the excitement it brings your team and your community.

Personally, I was inspired by this tournament, and it pushed me to work and train harder. I hope that for each and every one of you this tournament inspires you to be the best player you can be.

As you start to make future plans, I would like to encourage you all to continue to play ultimate in college or post-graduation. The experiences I have had being a part of the team here at Iowa State have been unforgettable. I have grown as an athlete, a teammate, a student and a leader while learning valuable life skills traveling around the U.S.A. If you choose to go to a college that has a developed program, I hope that you take advantage of the resources that team has and never stop improving. If you go to a college that has a less-developed team, I hope that you work to improve your skills and the skills of your future teammates.

All in all, I hope that you enjoy yourself this weekend. Play as hard as you can and leave nothing behind. Value the friendships you have on your teams and on the teams of your competitors. I look forward to talking with you and watching you play this weekend.

Cami Nelson, Iowa State University, Woman Scorned

Dear Athletes:

Congratulations on qualifying for the USA Ultimate Central High School Championships! On behalf of the Iowa Sports Foundation, it is a privilege to welcome you to Ames, Iowa State University and the great state of Iowa.

We are excited to host these championships for the second time at the Southeast Recreation Complex on Iowa State University’s beautiful campus. The Southeast Recreation Complex has played host to the Iowa Games Ultimate Championships since 2003, as well as the 2012 National Beep Baseball World Series.

One of our goals by hosting this championship in Iowa is to increase the awareness and exposure of ultimate in Iowa and ultimately (pun intended), increase ultimate participation throughout the state. We thank you for your participation and providing this opportunity to expand ultimate in Iowa.

Although not everyone can take home a medal, all are winners for having participated. Best wishes to all the athletes, coaches, volunteers, families and friends. I hope you take home many good memories and a sense of accomplishment from the 2015 USA Ultimate Central High School Championships.

Sincerely,

Kevin Bourke, Chief Operating Officer
Iowa Sports Foundation

Parallel
Ames, IA
Coach: Joe Wheelock

Parallel ultimate club was started in 2008. Led by Peter Miller and Jake Arrowsmith for the past three years, the club has grown in size and skill. Vincent Montabon, the leading athlete and tallest character on the roster, runs the show when it comes to scoring. Watch out for Joe Wheelock, Parallel's coach, whose colorful personality brings an extra zing to the team's gameplay. The team is glad to have Centrals back in Ames this year.

Cathedral Ultimate has been a club sport at our school for over 10 years. We started out as a very small group of kids learning ultimate as one coed team and are now a club with three teams and 65 players. As for our name, we wanted to find something that demonstrated not only our strength on the ground but that also illustrates the lack of gravity we seem to contain, giving us free reign over the skies. The colors of our jerseys, blue and orange, are also symbolic. Blue represents stability, trust, loyalty and confidence, all of which describe the fundamental cornerstones on which this program has been built. Orange represents enthusiasm, determination and success, the three main goals we aim to reach annually as a team.

CENTER GROVE HIGH SCHOOL

Holy Mackerel
Greenwood, IN
Coaches: Jake Phillips, Levi Jacobs
Website: holymackerelultimate.com

Holy Mackerel was founded in 2003 and has gradually grown from a casual group to a competitive team playing year round, traveling the Midwest and running two summer leagues, a winter league and a tournament each year. In 2015, our club expanded to include Indiana’s first girls’ team and first middle school summer league and continues to garner school support with our own field space, bus transportation and yearbook inclusion. We focus on effort and attitude, striving to be the best version of ourselves we can be, regardless of the score. Our program is coached by eight alumni and seeks to be a leader in ultimate for the state of Indiana, winning the State Championship from 2011-2014, and striving to represent our state’s YCC team and the USA U-19 team well. We also work to be the base of Indiana’s top club teams, which are partly based out of Center Grove.

EDINA HIGH SCHOOL

Green Lantern Varsity
Edina, MN
Coaches: Nate Wohl, Stephen Lederman
Twitter: @EdinaUltimate
Website: edinaultimate.org

The Edina ultimate program has grown now into the largest program in the state of Minnesota. With over 120 participants in our high school programs (three boys’ and two girls’ teams) and 60 amongst the two middle schools in Edina, the program has seen its growth through great leadership in the past, creating a culture that is constantly recruiting the next generation of Green Lantern ultimate players.

Edina Ultimate also earned its first State Championship last year, sweeping the championships in the boys’ and girls’ divisions. Edina High School has a long tradition of success in the state of Minnesota with 155 State Championships (157 including ultimate). For the program to uphold the tradition of success and values of Edina Athletics was a proud moment. Our goal is to continue to represent all that is great about Edina Athletics now and for years to come.

**Vikings**
Geneva, IL  
Coaches: Joe Schoen, Chris Vieau  
Twitter: @VikingsUltimate

Vikings Ultimate had its beginnings in 2004, when a group of students started the first ultimate club at Geneva High School. We played pickup ultimate for the first several years, steadily increasing in numbers to become a 50+ member club. In the winter of 2009, we founded our first competitive ultimate team, competing in our first Chicago Invite in the spring of 2010. From there, a lasting legacy of Vikings Ultimate was born. We have been one of the top three teams in Illinois since our first season. “Vikings” is our school’s mascot, who we represent proudly.

Cincinnati, OH  
Coaches: Steve Conrad, Phil Hale  
Twitter: @hfcrevultimate

Revolution began in 2000 when a group of homeschooled athletes helped start Youth Ultimate Cincinnati (YUC), which has grown to over 30 teams. Revolution has won every YUC title since 2003 and every State Championship since 2005 except for 2011, when we finished second in the last High School Eastern Championship. Over the past several years, Revolution has competed in and won Deep Freeze, Chicago Invite and Paideia Cup. For the first time this year, we hosted our own tournament, the Rivertown Throwdown, which featured 14 boys’ teams from six states and three regions. Our team has finished first or second at all three Central Regional Championships. We are looking forward to the competition in Ames.

MINNEAPOLIS SOUTH HIGH SCHOOL

South Squall

Minneapolis, MN
Coaches: John Sandahl, John Chandler

Squall began back in 2002 as a mixed team. Over time, the program has grown into a flourishing family that can always be found in the top tiers at the Minnesota State Championships in both the boys’ and girls’ divisions. The name Squall comes from a storm that almost ended the life of our coach John Sandahl while he was traversing the Appalachians as a young man. After that, he truly knew that a Squall was a force to be reckoned with and could be the only possible name for his turbulent young squad of goons.

NAPERVILLE CENTRAL HIGH SCHOOL

Redhawks

Naperville, IL
Coaches: Lynne Nolan, Chris O’Hara, Joey Williams

The first Naperville Central High School ultimate team was formed in 1994-95. We actually hosted one of the first high school ultimate tournaments in Illinois with six participating teams. Revived in 2001, a combined Naperville North and Naperville Central team participated in CUJO for several years until both schools had enough players to field teams.

With the advent of Illinois Youth Ultimate’s Chicago High School Ultimate League – West, the Redhawk program has grown in the past four years from one team to two teams in league play. We steadily improve in tournament play and finished in the middle of the pack last year at the Illinois State Championships with nine rookies on the roster. This year, those rookies are the core of an emerging team that is athletic and hungry to learn the sport. They continue to develop their individual skills and team-play concepts. Most of all, they are fun and love the sport. We’re here at Centrals to test our skill against the best programs in the region! Thanks for the opportunity! Let’s go Redhawks!

Neuqua Valley A is now in its eighth year as a program. We started off with only 48 players in the program but have now grown to over 180 across seven different teams, including two girls’ teams. We have competed at the elite youth level for several years now and continue to enjoy the competition and teams we face each year. This year, we have a new crop of players but continue to show how our program builds great teams.

NV Ultimate B has existed as the second Neuqua Valley team for as long as the program has existed but has made major strides in the past three years. We have finished in the top five in the state of Illinois for two straight seasons, a major feat for a JV team. We focus on individual improvement, leaving everything on the field when we play and striving to play the best we possibly can.

Coach: Carl Nelson

Our current team is made up of a core of seniors who were freshmen when Carl Nelson began coaching. They have grown as a team over the last four years and were instrumental in a fourth-place finish at the Minnesota State Championships last year. This year is seeing a larger group of underclassmen building up the program. The team name was chosen four seasons ago after the signature move of a video game character.

### ST. PAUL CHARTER

**Stars**

St. Paul, MN  
Coaches: Jake Henderson, Alex Stanislaw, Galen Ryan

St. Paul Charter Ultimate comes from a collection of small schools. We have traditionally had smaller team sizes but have been able to overcome the small size of our teams by promoting excellent team chemistry and maximizing the talents of each of our individual players. This season, we hope to build on the success we have had in past years and make deep, competitive runs in every tournament we attend.

Holy Mackerel was founded in 2003. In 2011, a B team was founded, and in 2014, a freshmen team was founded. After minor girls’ participation among our boys’ teams throughout the years, the girls have finally formed their very own team and began competing autonomously in 2015. Their first season included two out-of-state tournaments and one in-state tournament. It is the club’s hope that this team, which also draws girls from nearby high schools and is the first high school girls’ team in Indiana, will be a springboard for growth in the high school girls’ division all around central Indiana.

To help in that mission, the girls’ team participates in weekly practices and three weekend girls-only clinics with women from around the state. Holy Mackerel envisions this season being the beginning of something great for female athletes in the Center Grove area and is working to provide our girls with all the same opportunities our boys’ programs have had over the years!

EDINA HIGH SCHOOL

Green Lantern
Girls Varsity

Edina, MN
Coaches: Ashley Green, Eric Larson, Cloid Green, Ali Ling
Twitter: @EdinaUltimate
Website: edinaultimate.org

The Edina ultimate program has grown into the largest program in the state of Minnesota. With over 120 participants in our high school programs (three boys’ and two girls’ teams) and 60 amongst the two middle schools in Edina, the program has seen its growth through great leadership in the past, creating a culture that is constantly recruiting the next generation of Green Lantern ultimate players.

Edina Ultimate also earned its first State Championship last year, sweeping the championships in the boys’ and girls’ divisions. Edina High School has a long tradition of success in the state of Minnesota with 155 State Championships (157 including ultimate). For the program to uphold the tradition of success and values of Edina Athletics was a proud moment. Our goal is to continue to represent all that is great about Edina Athletics now and for years to come.

Omega began in 2010 for the Ohio State Championships. This team of homeschooled girls developed from the mixed team Revolution, which has been a part of Youth Ultimate Cincinnati since 2000. Nearly all the Omega girls played in a junior league before they reached high school and now help to coach young players. They enjoy playing in tournaments with challenging competition and good Spirit of the Game. The girls of Omega continue to grow girls’ ultimate in Ohio by coaching and mentoring junior girls’ ultimate players and teams.

2015 USA ULTIMATE HIGH SCHOOL CENTRAL CHAMPIONSHIPS
Started in 2002 by Justin Berg and friends, Hopkins Ultimate has become well known in high school ultimate. The Hopkins girls’ team split off and created HERt in 2004. Hopkins teaches their players to be noble warriors and to embrace and embody the Spirit of the Game. At the end of the day, Hurt is a family working together to make one another better. At Hopkins, we strive to play the highest level ultimate we can as often as we can - we’re lucky to have the opportunity to meet such great competition this season, and there’s a lot of season left.

The South Squall girls’ team has been around since 2005. We placed second in the state in 2009 along with winning the Spirit Award. In 2011, there were enough girls for two teams, and we split into varsity and junior varsity. That year, varsity won the State Championship while junior varsity won the Spirit Award. We have always had a competitive team that works hard to battle through the Minnesota elements of rain, snow and wind. We always manage to “Bring the Squall” with us. We look forward to a fun and competitive weekend at Centrals.

The Neuqua Valley High School girls’ team has been around for about six years now. We adopted the team name eNVy two years ago. We picked it by choosing a word that contained the letters N and V in succession. We have since learned that it makes cheers more difficult because they sound the same, but “envy” is one syllable, and “NV” is two syllables which requires us to clarify what we are cheering most of the time.

AU (Armstrong Ultimate) is the chemical symbol for gold. You can see this gold splashing out on the jerseys, but it also runs through our veins, driving us to be the best we can, both in play and in spirit! This is the eighth year for Armstrong’s girls’ team, and the team has made huge strides forward each year.

Now in our ninth year, the Charter Stars (a collaboration between Minnesota Star Charter Schools Great River School and Twin Cities Academy) have come a long way. This will be our third Centrals tournament, and we look forward to representing well. When the team was new, their biggest victory was scoring one point toward the end of the season. A few years later, we were in the state championship game. We didn’t win, but it seemed like half the school was there cheering us on - building community is very important to the Stars program, which grew to be over 80 players (boys and girls combined, nearly a quarter of the adolescent student body at GRS). Since then, we have sustained strong girls’ teams throughout, becoming annual contenders.

**Grizzlies**
Chicago, IL  
Coaches: Nicole Cantello, Leanne King

Founded by current junior captain Zoe Kaplan, the Walter Payton girls’ ultimate team is the only girls’ team in Chicago and comes from a high school without a boys’ team! Walter Payton College Prep is an academically selective enrollment high school in downtown Chicago that accepts students from all over the city. The team is named after legendary Chicago Bears running back Walter Payton and aims to display the four Cs displayed by Payton himself: courage, compassion, curiosity and character. This team is committed to the Spirit of the Game, making friends and catching discs. This team is only in its second season but is positively on the come-up!

HEALTH AND SAFETY

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day. Directions to the local hospital can be found in prior pages of this program.

CONCUSSIONS
EDUCATION
• USA Ultimate recommends the CDC “Heads Up Safety” program, a free one-hour online training: cdc.gov/concussion/headsup/youth.html.

• USA Ultimate’s participant waiver includes important information from the CDC regarding concussion safety: usaultimate.org/membership/usa_ultimate_membership_forms.aspx

COACHING REQUIREMENTS
• Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

REMOVAL & RETURN TO PLAY
• All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.

  1. Remove athlete from play.
  2. Ensure athlete is evaluated by a health care professional trained in concussion diagnosis and management. Do not try to judge the seriousness of the injury yourself.
  3. If a minor, inform athlete’s parents or guardians about the known or possible concussion and give them the fact sheet on concussion.
  4. Allow athlete to return to play only with permission from an appropriate health care professional.

DOCTOR’S NOTE REQUIREMENT
If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor’s office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until he or she provides a doctor’s note, on letterhead or prescription pad, to event medical staff stating that the athlete is authorized to return to competition.

HEAT, NUTRITION AND HYDRATION
• Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body’s salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.

• Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.
PREVENTION AND TREATMENT OF HEAT ILLNESS

- Avoid alcohol, caffeine and carbonated beverages.
- Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase risk for heat illness. Avoid them if possible.
- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
- Know your body – be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important; good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges. Sodium is also important; good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers. After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies.
- Don’t drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Be sensitive to prior illness. If you’ve been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze.

SIDELINE SAFETY

- Spectators and equipment must stay at least three yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via PA system and through field marshals equipped with radios if there is lightning danger. Play then will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will use the “flash-to-bang” method to determine when to send people to shelter. By the time the flash-to-bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can’t get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.
Ultimate has traditionally relied upon the spirit of sportsmanship, which places the responsibility for fair play on the player. Highly competitive play is encouraged, but never at the expense of mutual respect among competitors, adherence to the agreed upon rules of the game, or the basic joy of play — 11th Edition USA Ultimate Rules of Ultimate.

10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.
Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, “treat others as you would have them treat your mother.”

2. CONTROL: SOTG TAKES REAL EFFORT.
SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

3. HECKLING AND TAUNTING ARE DIFFERENT.
Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent’s foul call or close play are NOT heckling: they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.
It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

5. DON’T “GIVE AS YOU GOT.”
There is no “eye for an eye.” If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.
6. BREATHE.
After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE.
When you turn the other cheek, you know you’ve done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

8. BE GENEROUS WITH PRAISE.
Compliment an opponent on his/her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

9. IMPRESSIONS LINGER.
Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

10. HAVE FUN.
All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.

SPIRIT CIRCLE

Spirit Circles are an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championship events where they have not only done exceptionally well in each competition, but showed the international community the importance we place on respect for the game and their opponents. But American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well and anything else that might be worth communicating, even if it’s something you think could be done better (and don’t forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That's it! It's pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It's all about respect for each other and the experience of bringing out the best in each other through competition. It's also about building relationships and seeing opponents for what they really are: part of the same community that loves ultimate. Please note that this is not required and is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!
SPIRIT AWARDS

Following every game, each team will be asked to rate its opponent on a scale of 1-5, with 5 being the highest level of sportsmanship. These ratings will be averaged, and the team in each division with the highest rating will be awarded the Team Spirit Award after their division’s finals.

USA ULTIMATE SPIRIT RATINGS GUIDELINES
The ratings are ordered from 5 (indicating the highest level of spirit) through 1 (the lowest level of spirit):

5: Highest level of respect shown throughout the game towards opponents, officials and spectators. For the level of play, showed excellent knowledge of the rules and abided by them throughout the game. Any conflicts were resolved amicably and without incident. Opposing team’s conduct added to our enjoyment of the game. The opposing team unfailingly played fairly and with an excellent attitude.

4: Respect shown throughout the game towards opponents, officials and spectators. For the level of play, showed above average knowledge of the rules and abided by them throughout the game. Any conflicts were resolved favorably and without incident. Opposing team’s conduct did not detract from our enjoyment of the game. The opposing team played fairly and with a good attitude.

3: Generally exhibited respect towards opponents, officials and spectators. For the level of play, showed adequate knowledge of the rules and abided by them during the game. Any conflicts were resolved plainly and without incident. Opposing team’s conduct generally did not detract from our enjoyment of the game. The opposing team generally played fairly and with a decent attitude.

2: Exhibited a lack of respect towards opponents, officials and/or spectators. For the level of play, showed a lack of knowledge of, or disregard for, the rules at points during the game. Any conflicts were resolved heatedly or led to contentious incidents. Opposing team’s conduct detracted somewhat from our enjoyment of the game. The opposing team played unfairly and/or with a poor attitude.

1: Exhibited a major lack of respect towards opponents, officials and/or spectators. For the level of play, exhibited no knowledge of the rules or blatantly disregarded them during the game. Conflicts were resolved acrimoniously or led directly to contentious incidents. Opposing team’s conduct made the game basically unenjoyable. The opposing team played unfairly, and their attitude was abysmal.

INDIVIDUAL AWARDS
Teams are asked to nominate a player from their own team who displays the highest level of spirit. The definition of spirit is up to each team, but should include elements of respect, sportsmanship, leadership, perseverance, intensity, etc. Teams are asked to choose the player whose attitude should be emulated by teammates and admired by opponents. Individual spirit winners will receive a medal and prize disc (courtesy of DISCRAFT). Thanks to Discraft for their support of ultimate and Spirit of the Game!

USA ULTIMATE
SPIRIT OF COACHING

BACKGROUND: The role of the coach at all levels of ultimate is unique in a sport that places on-field player authority above non-player influence. As a non-player, the coach’s authority must not extend to the on-field officiating process. Coaches may be faced with situations where they are able to correct the self-officiating process and ensure the correct outcome to a given play. In this situation, coaches must not interfere in the officiating process, in order to ensure that players learn and take responsibility for officiating. Coach interference in the decision-making process, even in the most egregious violations, will indicate to players that the coach – and not the players – has the ultimate responsibility for ensuring the inherent fairness of the game. Teaching players the rules and how to implement them should be done at practices or off the field. It is the coach’s responsibility to ensure that the players understand their own responsibilities as players and teach players how to handle those responsibilities.

GUIDELINES:

• Coaches should introduce themselves to the other coaches prior to a game and discuss concerns. This could potentially include the level of play, the level of intensity (e.g., spiking and rushing the field), and possible modifications to the captain’s clause (e.g., prohibiting zone for new teams or foot-blocking).

• Because the potential for misperception is high, spiking is prohibited at the youth level unless otherwise agreed upon by the coaches or captains. Spiking in a disrespectful manner is never acceptable at any level.

• Coaches will not make calls from the sideline or offer their opinion on a play. Coaches should encourage players to come to a resolution on their own. If asked during a dispute, coaches may offer rules clarifications. After a dispute, a coach may talk to his or her own player about the dispute and offer opinions.

• Youth coaches will make an effort to educate parents about Spirit of the Game and work to create a sideline atmosphere that respects Spirit of the Game.

• Coaches will teach and give players opportunities to practice knowledge of the rules of ultimate.

• Coaches will always exhibit respect for opposing players, other coaches and observers.

• Coaches will model Spirit of the Game at all times.

SUMMARY: The coach’s goal in terms of Spirit of the Game is to create an environment where players are responsible for upholding the rules and ensuring that the outcomes of plays and games are fair.
During games at USA Ultimate Championship events where field access is restricted, teams with coaching staffs are required to have at least one Level-1 Certified coach or a coach who has attended the USA Ultimate Coaching Ethics Workshop in order for coaching staff to have player-level field access. All coaches must pass an NCSI background check, be current coach-level members of USA Ultimate and must read, sign and agree to abide by the USA Ultimate Coaching Code of Ethics and Spirit of Coaching Statement. All other non-player support staff with player-level or limited field access must read, sign and agree to abide by the USA Ultimate Coaching Code of Ethics and Spirit of Coaching Statement. Limits on number of coaches and other non-player support staff will be determined by specific event guidelines.
