Indianapolis Ultimate Foundation

LEAGUE ADMINISTRATOR: John Rempel

We only directly run the new youth league in Indianapolis. Our president, John Rempel, was the person who developed and was in charge of running the league. Any of the other leagues throughout the state are run by local organizations that we support.

CONTRIBUTOR: John Rempel

I nominate John Rempel as the most valuable contributor. He was the single most influential person in the creation of our organization. While many others have had discussions about such an organization in the past, Jr finally took the necessary steps to get leaders together and talking. He has volunteered a countless number of hours towards the growth of the sport in Indiana. I can think of no more deserving person, and any recognition that he receives will have been long overdue.

—Blake Vanderbush, IUF Treasurer

Before recently departing to Orlando, Josh coached the UNF team, captained a Nationals club team and ran JUL operations. He will be sorely missed.

In 2015, as an organization, we hired one seasonal staff member, one full-time staff member, affiliated with USA Ultimate, rebranded as Triangle Ultimate, restructured our membership structure and continued to achieve our mission of growing the quantity and quality of ultimate programs in the Triangle.
