USA Ultimate Board of Directors
Teleconference Meeting
December 3, 2018

- There is no clear owner at USAU or guidance in these areas beyond uniform requirements.
- Proposal is to create a Task Force in this area to research what other organizations are doing, what WFDF/USOC requirements might apply, and how the ultimate community wants to address this. This group would include staff and board members to ultimately make a recommendation to the board.
- Discussion around the desire to have a stronger focus on freedom of expression than political statements guidance.
- Initiate Task Force with a few reps from board and staff with goal of including interested new board members in January.
- Dave Klink moves to create Freedom of Expression Task Force. The motion is seconded by Henry Thorne and passes 10-0-2.

Staff leaves the call, except for Tom Crawford.

2018 Board Election
Presented by Josh Seamon
- Strong election on many levels: great candidates, promotion, and turnout.
- Despite a bigger focus by the committee on recruitment of candidates identifying as female and non-binary, as well as people of color, we had only one of each in the final applicant pool. We need to find new strategies and improve in this area.
  - Nominating Committee will focus in early 2019 on how to restructure the process to make it more accessible.
- Huge increase in voter turnout - nearly a third of all elite athletes voted and largest at-large turnout in history.
- Frank Nam (1,269) and Charlie Mercer (349) will be joining the board.
- The board has both an Appointed and Independent position open for 2019.
  - The board discusses the need to consider diverse applicants for these positions as we move forward.

Steve Mooney leaves the call for Appointed position discussion.

- Josh Seamon motions to approve Steve Mooney’s reappointment to the board. The motion is seconded by DeAnna Ball and passes 9-0-2.

Steve Mooney rejoins the call.
The board discusses the definition of “Independent” board member given recent guidance from the USOC and our legal counsel.
  - Strong recommendations are being made by the USOC in light of recent events in other sports to put an emphasis on diversifying the background of the board to include voices completely outside of the sport.
- Nominating Committee, which includes Heather Ann Brauer, Tom Crawford, Josh Seamon and Henry Thorne, will have a follow up call to discuss potential Independent candidates.
  - All candidates will be reviewed by Audit and Ethics Committee and Membership department.
- The board will plan to have a call to vote on candidates put forward by the Nominating Committee by end of year.
