USA Ultimate Affiliate Grant:
New Girls Team

Benefit:

Up to $500 in one-to-one matching grant funds from USA Ultimate may be applied towards the outstanding cost of individual USA Ultimate memberships for players without current membership who are rostered in a registered USA Ultimate championship or affiliate sanctioned event on a new youth girls team. Memberships will be applied at the required player-level(s) for the registered event type (Affiliate, Youth or College), including upgrades from one level to a higher required level.   Refunds cannot be issued for memberships already purchased prior to the time of grant award.

Requirements:

- At least 75% (3/4) of the players should be brand-new to USAU membership.
- Team should be brand-new, not simply a rebranded or renamed team, nor a team representing a program or school that took a year or more off from competition.
- Team should be registered for a USA Ultimate Affiliate's owned and operated sanctioned event or be representing the Affiliate's community (involve a subset of participants in Affiliate owned & operated programs/events) in a USA Ultimate championship event (USAU owned youth club or middle/high school state qualifier or championship).
- Affiliate organization representative should provide written statement of team support and confirm team interaction with or representation of (inclusion of participants) Affiliate's sanctioned programming.
- Funds to be matched from Affiliate organization should be detailed in official letter from Affiliate organization to a team representative, clearly indicating the total amount raised and intended costs to be covered for the team, with a copy of the letter provided to USA Ultimate staff as follow-up to the grant application form submission.
- Shortly after event conclusion, team picture and written report of experience(s) enabled by grant should be provided to USA Ultimate staff by team representative(s) for potential publication.
