Proposal 2015.3

Proposal to amend Section 10.12(a), to add a new Section 13.18 and to renumber the original Section 13.18 of USA Ultimate’s Bylaws

The Judicial Committee recommends that the Board of USA Ultimate amend the Bylaws of the organization to provide for a limit on the time in which a party can appeal a decision of a Hearing Panel of the Judicial Committee and to provide generally how to compute time periods set out in the Bylaws.

Our Bylaws provide that any party can appeal a decision of a hearing panel established by the Judicial Committee to AAA Arbitration. But they do not say how long a party has to file an appeal. A typical appeal period in legal proceedings is 30 days.

The Judicial Committee recommends amending Section 10.12(a) of the Bylaws to add a sentence stipulating the appeal period. As amended, Section 10.12(a) would read in its entirety as follows (new language is underscored):

“10.12 (a) Any party may appeal a final determination of the hearing panel to the American Arbitration Association (AAA), following the commercial rules of the AAA. The period for filing an appeal is 30 days from the date of the decision of the hearing panel. For "Administrative Grievances", a "final determination" shall mean the party requesting the arbitration shall have exhausted all administrative remedies available to it, exhausted all other available appeals and received a final decision from USA Ultimate. Failure to receive a final determination and to take all administrative steps necessary to obtain a final determination is a jurisdictional requirement and shall be a bar to requesting arbitration. For "Right to Participate" complaints USA Ultimate will adhere to the Ted Stevens Olympic and Amateur Sports Act.”

The Judicial Committee also recommends inserting a new Section 13.18 and renumbering the existing Section 13.18 as Section 13.19. The new Section 13.18, which would apply to all provisions in the Bylaws dealing with time periods (e.g., time required to send notices to board members, time to file a complaint with the Judicial Committee, time for taking an appeal from a decision of a hearing panel) would provide as follows:

“10.18 Computation of Time. In computing a period of time under these Bylaws, exclude the day of the event that triggers the period; count every day, including intermediate Saturdays, Sundays, and legal holidays; and include the last day of the period, but if the last day is a Saturday, Sunday or legal holiday, the period continues to run until the end of the next day that is not a Saturday, Sunday, or legal holiday.”
