3Q 2014 FINANCIALS & 2015 BUDGET
Present by Kathy Hendrickson and Tom Crawford

- The organization is tracking according to the budget for 2014.
- There are no significant unbudgeted expenses anticipated through the end of 2014.
- The 2015 budget takes into account projected growth based on several factors, and is expected to cover an increase in expenses.
- The 2015 budget includes an expectation of 19% revenue growth, driven in part by 8% anticipated membership growth.
- The 2015 budget is also sufficient to cover expenses associated with the move of USA Ultimate HQ to Colorado Springs, from Boulder. This move will also, in part, be funded by allowances made by a $50,000 grant opportunity, and potential interim housing support from Colorado Springs.
- Projected expense increase is within normal expectations for the growth of the organization and services provided.

Ben Slade moves to approve the 2015 budget as submitted. Val Belmonte seconds the motion.

Motion passes 10-0-2. Gwen Ambler and Sandy Park absent.

US OLYMPIC ENDOWMENT RECOMMENDATION
Presented by Kathy Hendrickson

- Given recent USA Ultimate recognition by the US Olympic Committee, USAU has the opportunity to invest via US Olympic Endowment (USOE).
- Under this recommendation, select USAU funds that are currently in low-return fixed-income investments (CDs largely) would be invested with USOE. Investment would not interrupt funding for programs and services.
- The USOE allows for better investment opportunity (largely mutual funds) than the current investments, with low-fund fees (though important to recognize that there is more risk in mutual funds such as those in the USOE than there is in CDs).
- Not all USA Ultimate funds on hand will be invested with USOE – per the Operating Reserve policy, Operating Reserve Funds (at 30% of current-year budgeted expenses) will be kept in separate, liquid fixed-income vehicles. Additionally, select funds will be kept in savings/checking for ongoing operational use.

Ben Slade moves to approve the recommendation of Investment Working Group. Brian Garcia seconds the motion.

Motion passes 10-0-2. Gwen Ambler and Sandy Park absent.
